

Multi-Purpose Shield

Armor Dynamics Multi-Purpose Shield is a lightweight, handheld shield ideal for law enforcement officers. The shield can be easily deployed and used in conjunction with an officers sidearm, providing safety and flexibility in most situations.

Multi-Purpose Shield

- NIJ level IIIA protection with multi-hit capability: defends against small arms fire.
- Lightweight (1 lbs PSF) and cost-effective.
- Built-in handle allows for multi-position handling and ease of use.
- Size: 34" x 22" standard; custom sizes available.
- Made in the U.S.A.
