

The **SecureCan™** blast resistant trash receptacle from Armor Dynamics is a concealable protection system that can contain a potentially deadly blast in public areas. In the event of an explosion, the SecureCan can suppress and contain blasts within a destruction radius of 100 yards.

SecureCan™

Armor Dynamics innovative SecureCan™ provides four levels of blast mitigation:

- it suppresses blast impact.
- traps fragments.
- reduces overall heat.
- confines toxic dust contamination.

OPTIONS

- Easy-to-change advertising space.
- Bottom drain for easy cleaning.
- Discreet appearance.
- Made in U.S.A.
